

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Further letters respecting the candidate are requested from other members of the Club.

RULE XI.—At each meeting, the Committee shall take up the names of candidates who have been duly posted, beginning at the top of the list, except that by unanimous vote of the members of the Committee present, preference may be given to a candidate of special distinction, *or to a candidate who has held the degree which renders him eligible for election for at least twenty-five years*, provided notice of motion for such preference shall have been given at a previous meeting. The name of a candidate for whom such preference has been moved shall forthwith be specially posted and may be acted on at any subsequent meeting. Preferences given under this rule shall not exceed ten in number in any one calendar year.

Committee present required by Rule XIX, or that there is insufficient information before the Committee for final action upon the candidate, the name shall be passed and the proposer and seconder immediately notified that when the name shall be again reached for consideration if the necessary requirements under the rules of the Committee have not been complied with, or if the information before the Committee respecting the candidate is still insufficient, the name will be rejected, unless special considerations are brought to the attention of the Committee, when, upon vote, the name may be again passed, or removed to the foot of the list, or transferred to the special list.

RULE XII.—The President of any University or College, the degrees conferred by which qualify a candidate for election to membership in the University Club, shall be entitled to a preference.

The names of candidates who have previously been members of the Club, and have resigned in good standing, shall be entitled to a preference and shall be specially posted as such.

The name of an Army or Navy candidate who is in active service, or of a candidate who is a member of the diplomatic corps or consular service of a foreign government accredited to this country, may be considered at any meeting upon special vote of the Committee.

RULE XIII.—All Army and Navy candidates shall be placed on a special list, to which may also be transferred on vote of the Committee all candidates on whose behalf an indefinite postponement shall be requested; and names on said list, other than Army and Navy candidates, shall be considered only on motion of a member, at any time after

34 RULES OF COMMITTEE ON ADMISSIONS.

such name would have been reached in regular order, if it had been retained on the regular list.

RULE XVIII.—A candidate for non-resident membership shall not be considered by the Committee unless a letter respecting his candidacy has been received from a resident member of the Club.

RULE XIX.—Candidates for resident membership must be personally known to at least three members, and candidates for non-resident membership must be personally known to at least one member of the Committee present.

RULE XX.—The name of a candidate who has been duly proposed and seconded shall be immediately posted although the degree held by him shall not have been approved by the Council and although three years shall not have elapsed since his graduation.

EDWARDS H. CHILDS,
Secretary of the Committee on Admissions.

THE LIBRARY

REPORT FOR THE YEAR

FROM MARCH 1, 1909, TO FEBRUARY 28, 1910

The Library records show a total of 27,787 books registered since the organization of the Library, 1630 volumes having been added during the past year. The number accessioned and in use on Feb. 28, 1910, was approximately 25,019. Of the new accessions 160 were received by gift, and 1412 by purchase at a cost of \$3206.07. The remaining 58 volumes added consist of current periodicals bound by the Club at a cost of \$115.30. The original cost of the periodicals is included in last year's expense account.

The growth of the Library during the past twenty-one years is shown by the following summary:

Total for 21 years, 14,162 2,017 5,094 21,273 \$39,666.09

The last column of the foregoing table includes, besides the cost of the additions for the year, an outlay of \$163.50 for binding and rebinding.

Sixty-three pamphlets were added to the Library during the year.

The total running expenses of the Library, exclusive of salaries, were \$4568.13, the outlay other than for books and binding amounting to \$1378.09. Included in the latter sum is the item of \$984.13 for subscriptions to 181 periodicals, and 22 out-of-town newspapers for 1910.

The cataloguing has been brought up to date. The cards printed and issued by the Library of Congress are used so far as possible.

Volumes which the Committee consider of no further value to the Library are annually discarded. Members of the club may have the opportunity of purchasing discarded books at 25 cents a volume. Such books must be tied up in packages by one of the Assistant Librarians before

being removed from the Club House, and each volume must be stamped "Discarded."

The Library has on hand, either in bound volumes or filed for reference, over 150 sets of periodicals, though not all of them are complete. The rule now adopted is to retain for binding or filing all that are indexed in Poole's and Wilson's indexes, accepting, so far as it goes, the judgment of the index-makers on the question of permanent values. In general the intention is, because of their bulk, to keep these indexed sets of periodicals in the Store Room, which is above the Writing Room and was formerly used as a Card Room. The indexes are all kept together in the West Room.

About 32 unindexed periodicals are also permanently retained. All other periodicals coming into the Club are kept on file not less than one year, but at the end of each year, those of the year preceding the last are discarded and disposed of.

The New York newspapers are held for reference for six months back from the current date, and a duplicate file running five weeks back, is kept for clipping purposes. The file of the London Times dates from 1899, the New York Tribune, bound, from 1861. The following out-of-town newspapers, subscribed for or presented, are held for five weeks back:

- Atlanta Constitution
- Baltimore Sun
- Boston Transcript
- Buffalo Express
- Chicago Examiner
- Chicago Tribune
- Detroit Free Press
- Hartford Courant
- Indianapolis News

London Daily Mail
Louisville Courier-Journal
Manchester Union
New Haven Journal-Courier
New Haven Register
New Orleans Picayune
Paris Figaro
Philadelphia Press
Pittsburgh Gazette Times
Portland Oregonian
Providence Journal
Springfield Republican
St. Louis Globe-Democrat
San Francisco Chronicle
Washington Post

The demand for novels and other books of ephemeral character will continue to be supplied through subscription libraries. The regular deliveries are made on alternate Mondays. Single volumes can usually be obtained from the New York Society Library within a few hours. Orders for books should be left with the Assistant Librarian.

The current issues of the catalogues of American and foreign booksellers and publishers are kept on file.

Members using the Library for investigation and study have the privilege of drawing on the resources of the Columbia University Library (435,000 vols.) and the collections of many university and other libraries. Requests for books under the above arrangement must be made through the Librarian of the Club.

Lock boxes in the Writing Room, built for the accommodation of private papers, manuscripts, and books, are rented to members at the rate of 25 cents a month. Private shelves are reserved in the West Room for the same uses.

The Club is desirous of obtaining copies of the Club

Annual for 1865, 1867, and 1884-85, to complete its duplicate files. Any member possessing the Annual for one or more of these years would confer a favor on the Committee by donating the same to the Library.

Attention is called to the following as among the more important purchases of the year:
